Experience

TEN SPEED PRESS

Freelance Production Designer

August 2019–Present

Pour coded manuscripts into templated designs and input editorial text corrections upon request.

September–December 2019

Managed two projects on behalf of a designer on maternity leave. Maintained schedules and met deadlines on assigned projects. Provided additional art and production support to design team as needed.

Design Fellow

March 2018–March 2019

Created one-off book and cover designs from concept to print-ready files. Assisted and collaborated with design team in optimizing workflow, book schedules, and asset archiving.

GENENTECH

Graphic Design Intern

June–November 2017

Worked closely with the Creative Director in developing and strategizing new corporate collateral under comprehensive brand guidelines. Organized and updated asset archive.

SPUTNIK

Brand Designer

January–November 2016

Conceptualized and designed print + web collateral for the CCA communications department.
